

JOINT VENTURES THE DOES AND DONT'S OF SUCCESSFUL PARTNERSHIPS

Another successful BianchiSchwald evening seminar is in the books! Peter Spuhler (owner and chairman of Stadler Rail Group) and Lucius Gehrig (Head Corporate Development Stadler Rail Group) presented related experiences from an entrepreneurial perspective while Thomas Schmid (Head Corporate and M&A) and Stefan Scherrer (Managing Associate) offered insights on selected legal considerations. The evening was topped with a vivid discussion between Peter Spuhler and Hans-Peter Schwald (Senior Partner of BianchiSchwald LLC and Vice-Chairman of Stadler) on the subject. Thank you to everyone joining us.
