Dominique Christin is a recognized expert in corporate, tax, contract and banking law. He provides legal advice to companies and their shareholders and assists in the setting-up and administration of non-profit organisations. He assists clients in their dealings with the tax authorities and represents them before administrative and judiciary courts. He further provides legal advice to private clients and has a solid experience in Swiss international tax matters including international tax assistance. He is the co-founder and moderator of a forum for in-house bank lawyers. He also serves as the Treasurer of ISO and as a Board member of Swiss companies including Caran d’Ache SA and charitable foundations.
